Work Ready Community

By participating in **ACT's Work Ready Communities** initiative, counties , regions, and states are helping:

- Businesses and industries know exactly what foundational skills they want for a productive workforce
- Individuals understand what skills are required by employers
- Individuals learn how to prepare themselves for success
- Policymakers consistently measure the skills gap in a timely manner
- Educators close the skills gap, using tools integrated into career pathways with stackable industry-recognized credentials
- Economic developers use an on-demand reporting tool to market the quality of their workforce
